

June–July 11th 2021 Programs

All Programs are free and open to the public. An adult must accompany children. Reasonable accommodations available upon request. For more information call email brett.power@mass.gov

Saturdays

Growing Wild for Pollinators

9:00—11:00 a.m.

Discover the hidden world of flowers, hummingbirds, butterflies, and the other insects that call our gardens home. This stationary program will take place in front of the Botume House Visitor Center.

Creature Feature, 1:00—3:00 p.m. at Greenwood Park

What kinds of fascinating creatures live here? Come and find out from our Visitor Services Supervisor and discover what animals inhabit this beautiful park.

Self-guided opportunities

Treasures in the Trees - Kids Game

Follow the treasure map that you will find at the Botume House kiosk (4 Woodland Rd., Stoneham) to discover the many valuable things trees provide us. Look for the “Treasures in the Trees” brochure box, and have fun!
